

## **ANOTHER DIRTY TRICK** **MEROLLA LEARNED FROM THE** **“DEMOCRAT MACHINE”...**

- If you have received a postcard endorsing the *MEROLLA TEAM* with a picture of the farm on it, you have been subject to lies.
- THE HALPER FAMILY OF PISCATAWAY DOES NOT SUPPORT THE MEROLLA TEAM!!!!!!
- **MEROLLA STARTED THE CONDEMNATION!!**
- She does not share the best interests of the people, or the Halpers.

The only candidate who has the best interests of the Halper family's farm and the citizens of Piscataway in mind is **Clara Halper**. Clara Halper and her family live on the Cornell family owned and operated farm. Why would she endorse someone who acted to seize her family's land and livelihood? Along with running on the platforms of lowering property taxes, decreasing traffic congestion, and improving road systems, she is also supporting the Halper family's decision of applying for State Farmland Preservation, costing the taxpayers less money than “Open Space”.

*On November 2<sup>nd</sup>, Elect*

**CLARA HALPER**  
**INDEPENDENT, LINE “C”**
